Community Update

Fall/ Winter 2025

Dear Neighbours,

This mini community update comes as the Canada Post strike prevented us from getting out our regular Fall newsletter. This year, we've made meaningful progress together: feeding more hungry kids, freezing TTC fares, extending library hours and seniors' services, and adding hundreds of first responders. This includes a historic investment in hiring frontline police officers—an effort that has contributed to lower crime rates and faster emergency response times across our community.

These are the kinds of practical, affordable improvements that make life better for everyone, and I'm proud to serve you and continue this work in the year ahead.

Merry Christmas, Happy Hanukkah & Season's Greetings to you and your loved ones.
